

## ABOUT HMTX CARES

HMTX Cares is a nonprofit, 501(c)3 corporation dedicated to supporting organizations and facilities providing rehabilitation, education and hope for those suffering from Mental Illness and Substance Abuse Disorders (SADs), which afflict an alarming and increasing number of Americans each year.

## OUR MISSION

Originally conceived in 2019, the initial mission of HMTX Cares was to raise funds to fight the disease of addiction, which has grown to epic proportions during the pandemic and is often exacerbated by co-occurring mental illness. In 2021, HMTX Cares expanded its focus to encompass mental health as an important part of its mission, as addiction and mental illness often go in tandem to destroy lives and even lead to death through overdose or suicide.

The goal is to provide rehabilitation “scholarships” and support to families who otherwise would not be financially able to help save their loved one suffering from Substance Addiction Disorders (SAD’s) or a co-existing mental disorder.

Mental health and the disease of addiction are inextricably related. More than 37% of people struggling with substance abuse disorders also suffer from major mental health problems, made much worse by the pandemic lockdowns. We have turned our efforts toward this cause because it not only affects the individual suffering from these disorders, but it ultimately tears apart the entire family.

With the mission to generate \$500,000 through fundraising activities, the money raised will be fully matched by HMTX Industries’ CEO Harlan Stone.

## DONATION INFORMATION

**Name of Organization:** The Blanchard Institute  
**Address:** 10348 Park Road  
Charlotte, North Carolina  
**Website:** blanchardinstitute.com  
**CEO:** Mr .Ward Blanchard

# WE NEED YOUR SUPPORT!

HMTX Cares was formerly the Halstead/Metroflor  
Addiction Crisis Charity – HMCAC

# The FACTS

- In 2020, more than 100,000 lives were lost to addiction disorders, whether it be opioids (over 50% from fentanyl), heroin, cocaine, meth, alcohol, etc. - more than the combined deaths from AIDS, car wrecks and gunshot victims.
- Of adults ages 18-25, one in five now suffer from opioid addiction or other SADs. It is now officially a national emergency.
- Costs to society include \$130 billion in lost productivity, \$20 billion in healthcare, and \$40 billion for drug control.
- Employers in ALL INDUSTRIES are experiencing major trouble finding and retaining employees, because of the magnitude of the problem.
- In addition to the costs to society, entire families suffer along with the addict: from the destruction of the addict's health, to the torment that the family goes through emotionally and financially, and if untreated, the death of the loved one.

# Save an Addict. Save a Family.

In partnership with The Blanchard Institute, HMTX Cares is committed to raising the fully tax deductible \$1 million in donations through a 501c3 partnership with "Faith in Four: Recovery, Prevention, Education and Treatment". Contributions will fund scholarships to rehabilitation facilities for those in need who cannot otherwise afford treatment, to the following organizations:

- The Blanchard Institute, Charlotte, NC
- Genesis Ministries, Kennesaw, GA
- Hope House, Port Jefferson, NY
- Thomas' Hope, West Babylon, NY
- Davis Direction Foundation @ THE ZONE, Marietta, GA
- NAMI (National Association of Mental Illness), National, US
- Trinity Glen/MCCA Kent, Connecticut
- Center for Cognitive and Dialectical Behavior Therapy (CCDBT) New Hyde Park, NY
- Lakeview Health, Jacksonville, FL

# The HMTX Cares Team is committed to tearing down misconceptions about addiction and mental health, both of which are diseases.

Help us give hope to those who feel hopeless.

HMTX Cares intends to raise more than \$500K, which will be matched dollar for dollar by HMTX Industries for a total of \$1 million.

Contributions will fund scholarships to mental health and addiction rehabilitation facilities for those in need who cannot otherwise afford treatment.

Given that the typical insurance deductible cost to families for addiction rehabilitation is \$8,000, the HMTX Cares team hopes to reach the goal of \$1 million to provide scholarships for 125 families. That could SAVE 125 LIVES and 125 FAMILIES!

100% of your donation will go to this great cause!
